Includes: 1 spin disc.

Replacement cost: \$230

28. Body Sox x3 (green – small, blue – medium, red – large) *WASHED AFTER EVERY USE*

Description: These resistance products are ideal for encouraging more normalized motor responses and help organize sensory information. Each pillowcase-like sac is made from 4-way stretch translucent Lycra with reinforced Velcro closure. Body Stretch Bags are designed specifically for spatial awareness through balance and resistance. Since they are translucent, they can see the shapes they are making.

The ideal sizing for a Body Sox is as close as possible or slightly shorter than one's height– please refer to the sizing chart below:

- Small - 40" tall x 27" wide.
- Medium - 47" tall x 27" wide.
- Large - 56" tall x 28" wide.
- X-Large - 60" tall x 28" wide.

Includes: 1 body stretch bag.

Replacement cost: \$50

29. Weighted Blanket – Beautyrest x4 (2 grey, 2 blue) *COVER IS WASHED AFTER EVERY USE*

Description: The Beautyrest weighted blanket is a high-quality therapeutic blanket designed to give relief to people with stress, insomnia, anxiety, and sensory disorder.

30. Walk Easy Pediatric Tripod x2

Description: Walk Easy pediatric tripod straight neck cane features a straight neck, small inverted-V base, reinforced cross sections and derby handle. The Derby handle and clip adjustment are one of the most popular shapes and provide excellent support. The pediatric cane is epoxy-coated and also features a grip that can be rotated for right or left hand use. Tripod straight neck cane offers fun, funky and adorable child-sized walking cane that is lightweight and top quality. Tripod cane base size is 10" wide and handle height is adjustable for 21" - 28".

Includes: 1 tripod cane

Replacement cost: \$54

31. The Freeloder Child Carrier x2 (yellow – medium, black - large)

Description: The Freeloder is the first child carrier built specifically for toddlers & small children, allowing families to enjoy adventures together. The light, unique design & 5 point safety harness allow parents to rest their arms, children to rest their legs, and for families to safely go further than they have ever gone together. Product weight: 5.8 lbs. Carrying capacity: 25-80 lbs. Minimum Age: 2 ½ years. Standing height: 33"-50" tall

Includes: Carrier, instructions (side pocket)

Replacement cost: \$300

32. Compression Blanket x3 (3 sizes) *WASHED AFTER EVERY USE*

Description: The Sensory Compression Blanket is one of the most effective tools to calm your sensory child and relieve anxiety. In fact, one of the most wonderful things about this blanket is that it's perfect for BOTH sensory seekers and sensory avoiders. It allows energetic seekers to get deep pressure right before bed, while gentle hugs sensory avoiders. It's also perfect for the hotter summer months when a weighted blanket can get hot and uncomfortable.

- Twin/Single Bed = 3'2" x 4'8" (98 x 147 cm)
- Full/Double Bed = 4'5" x 4'8" (136 x 147 cm)
- Queen Bed = 5'2" x 4'8" (160 x 147 cm)

Includes: 1 sensory compression blanket

Replacement cost: \$61
